# CALVIN KURT J. DELOS SANTOS

## COMPUTER TECHNOLOGY INTERN

City of Malolos, Bulacan | 09392238121 | calvinkurt.delossantos@gmail.com

## CAREER OBJECTIVE

Driven Computer Technology student seeking an internship position to leverage my foundational knowledge in IT infrastructure, technical support, and systems administration while expanding my practical skills in a professional environment.

## EDUCATION

**Bachelor of Industrial Technology major in Computer Technology** — **2023 – 2027 (Expected)**

Bulacan State University

Focus on hardware diagnostic, network administration, UI/UX design, and computing technology principles.

**Senior High School – Science, Technology, Engineering, and Mathematics (STEM)** — **2021 – 2023**

La Consolacion University Philippines

Developed strong analytical, mathematical, and foundational technology problem-solving skills.

## TECHNICAL SKILLS

### HARDWARE & SYSTEMS

Computer Hardware Maintenance, System Diagnostics, Assembly & Troubleshooting, Component Installation

### UI/UX & DESIGN

Wireframing, Interactive Prototyping, User Interface Design, Layout Planning

### SOFTWARE & PROGRAMMING

Programming Literacy, Software Operations, OS Installation & Configuration

### CORE COMPETENCIES

Computer Literacy, Technical Problem Solving, IT Infrastructure Fundamentals

## KEY STRENGTHS & ABILITIES

- Analytical problem-solving & system troubleshooting
- Adaptability to new tech tools & software environments
- Strong attention to detail in UI/UX wireframing & prototyping
- Effective communication & team collaboration skills
